1. The big picture

The Western-educated middle class met British rule, the printing press and Christian missionaries. That produced two kinds of response: reform and revival.

Type	Idea	Examples
Reformist	Use reason and modern ideas to change Hindu and Muslim society from within	Brahmo Samaj, Prarthana Samaj, Aligarh movement, Young Bengal
Revivalist	Return to the pure original faith (Vedas, early Islam) and clean out later corruption	Arya Samaj, Deoband, Wahabi, Faraizi, Ramakrishna Mission (partly)
Caste and anti-caste	Dignity and rights for lower castes; break the Brahmin monopoly	Satyashodhak, SNDP, Justice Party, Self-Respect

COMMON THEMES

- Attacks on idol worship, caste rules, child marriage, sati, polygamy, the ban on widow remarriage.
- Support for women's education and for English or science teaching.
- Use of the press, schools and societies to spread the message.
